

## MARKET ALIGNED SKILLS TRAINING (MAST) PROGRAM

*Special drive for economically backward students*

University of Mumbai's Garware Institute of Career Education & Development in partnership with American India Foundation (AIF), supported by Franklin Templeton Asset Management (India) Pvt. Ltd is offering Market Aligned Skills Training (MAST) Program for youth from economically disadvantaged class. The MAST program works to address the systemic imbalance by providing unemployed young people with a comprehensive skills training that equips them with the knowledge and skills needed to secure employment and succeed on the job. MAST not only meets the growing demands of the diversifying local industries across the country, it harnesses India's youth population to become powerful engines of the economy.
